SOLUTIONS

AUTOMATION SOLUTIONS

Because Employee Safety is Priority #1

Protect your workforce and assets with LOCKOUT/TAGOUT solutions customized to your facility.

ASK YOURSELF

- What safety procedures are currently in place? Do they include images of your machinery and corresponding tags?
- Who is in charge of your lockout/tagout (LOTO) procedures?
- Is your workforce trained?
- What is your existing safety policy?
- What would you change about your current program?

WE HAVE THE EXPERIENCE TO HELP

Work with an experienced Rexel Service Technician who will lead your company through all five components of the lockout/tagout process:
